**OFFICE OF THE BISHOP**

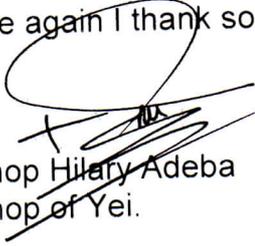

Dear Marilyn,

Greetings from Yei in South Sudan. My name is Hilary Adeba and I am the Bishop of the Episcopal Diocese of Yei.

I am writing to express our profound appreciation to the Anglican Relief and Development Fund of Canada for the generous support they gave us for completing the building of our pediatric ward at Martha Medical Centre of the Diocese of Yei. We have come to know from our committed partner Poppy and her husband John Spens who were first with us as mission partners but now have moved back to Winchester in England that the support came from the Canadian Relief and Development Fund.

We very much wish to appreciate the assistance from the Canadian Anglican Relief and Development Fund. We will be able to build a bigger ward that will accommodate over 30 children who are vulnerable from malaria, a killer disease in this part of the world. With the first small ward, children's survival rates have been greatly enhanced. And we will be able to save the lives of many more children when the new building is completed in 3 months time.

Once again I thank so much.

  
Bishop Hilary Adeba  
Bishop of Yei.
