

“And he gave the apostles, the prophets, the evangelists, the shepherds and teachers, to equip the saints for the work of ministry, for building up the body of Christ” Ephesians 4: 11 (and more)

THE WORK IN CAMBODIA BEGINS

As spring advances here in Canada, so does the Lord’s work that we have the privilege of joining in Cambodia. The two arms of this project, as you are aware, are designed to advance the work of God, building up the body of Christ.

PHNOM PENH THMEY CHURCH PLANT

The church plant in Phnom Penh Thmey will begin soon, with the search on for the appropriate space for rent (a dual-purpose space to be used as a church on week-ends, and a dorm during the week). The area encircled in black is Phnom Penh Thmey (new Phnom Penh). In a country of about 2,000 churches, most with 20+ congregants, there is a real need for a biblically based, non prosperity-gospel church in a growing community.

This search will take a couple of months, and the new leader will be joining the church prior to the summer. This part of the project is to be run for a period of two years and will cost about \$53,000 CAD.

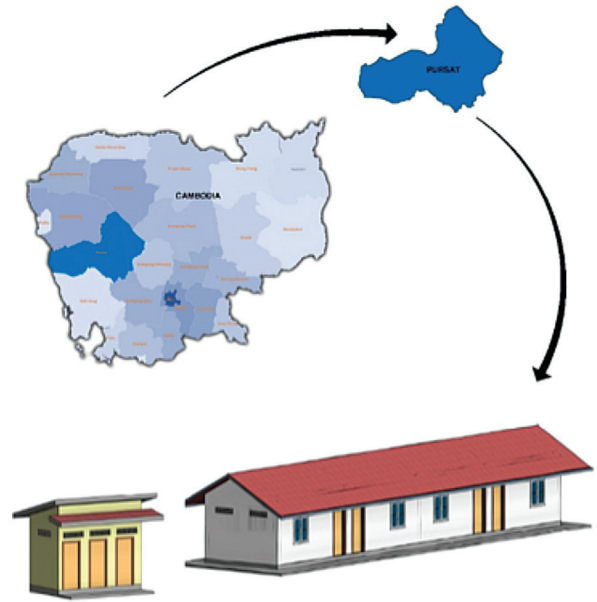

(These funds are to be raised during 2022 through to early 2023).

DORMITORY IN PREY SMACH

The second arm will begin immediately. This part of the project will be the building of a dormitory in the area known as Prey Smach, in the province of Pursat. This dormitory, as you have read earlier, will house 20 girls. There are no schools where they live, and it is far too long a trip to walk in to school daily. This will then give them room and board in Prey Smach, where they may attend school. This will allow not only further education, helping to break the cycle of poverty, but also improve the lives of 60 of their family members at the same time.

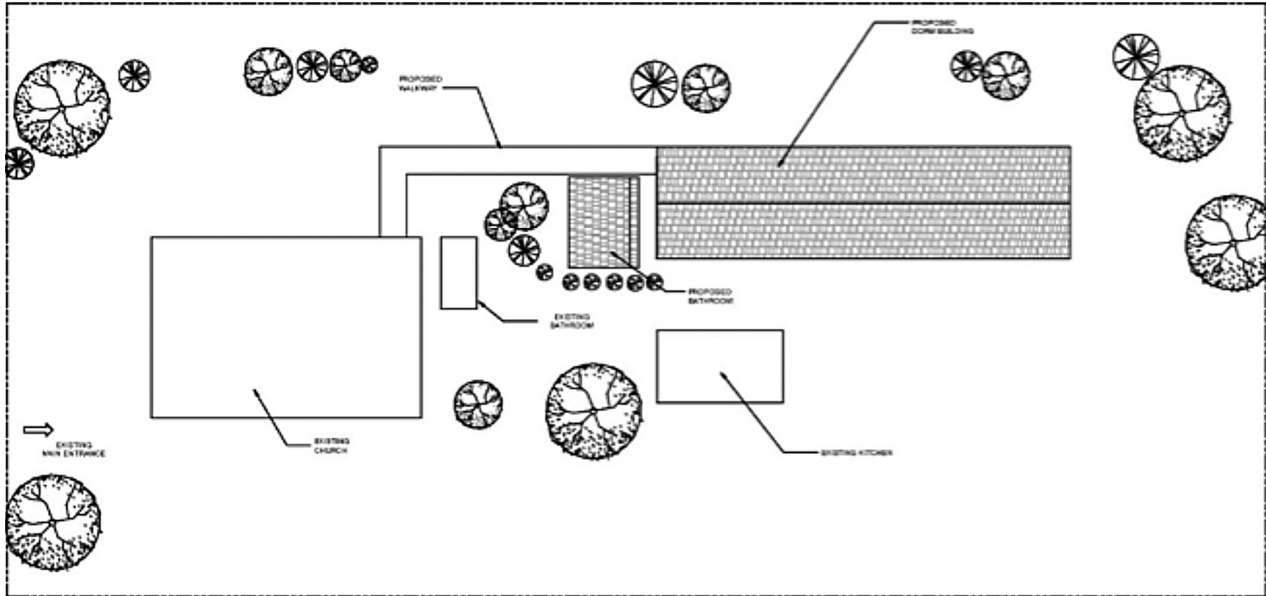

The site is already owned by the church, and the area is ready to excavate.

RESTORING **HEALTH, HOPE AND DIGNITY** IN **JESUS'** NAME

Thank the Lord for the strength and preparation of the church in Cambodia.

This arm of the project will cost about \$26,000 CAD.

Currently we have about \$20,000 CAD raised for the two arms of the Cambodia project. Will you join us once again to help break the cycle of poverty and build up the body of Christ in Phnom Penh Thmey and Prey Smach?
