

Glory to God in the highest, and on earth peace among those with whom he is pleased. Luke 2: 14

EASTER 2022

The verse listed at the top of the page is traditionally used at Christmas, and as such we are quite familiar with it, that spoken by a multitude of angels to the shepherds below.

However, it is spring that is fully here in Ontario (though we might still get some frost before the end of next month). The new life is starting in the gardens and, with Easter just past, we realize the new life we have, given by the Risen Christ, and the peace of Christ, that is Christ.

Beginning construction

PARAGUAY

Just this past week we have received the news that the construction in El Redentor School in Asunción, Paraguay, has been completed. The new school life for these children has now begun (their school year begins in our spring, which is their fall). The children in the upper levels have been in school since March, actually beginning in the church building itself (The Redeemer Anglican Church). When the rooms were available, they moved in to their new classes upstairs.

As their fall began, the weather has become more friendly (as some put it), the heat has subsided: the highs are now in the mid 20's versus high 30's to 40! The much-needed rains have begun, and have slowed down the final bits and pieces, but all is well, thank the Lord.

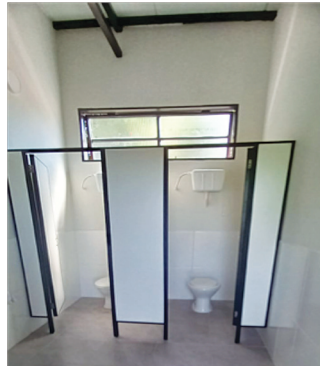

As you can see, the classes look cool and inviting for the young students, now about double in number. The Iglesia Anglicana, Paraguay, (the Anglican Church in Paraguay) has itself raised funds to work on several items alongside those you have donated, and you can see the rebuilt wall around the school yard, replacing the old crumbling wall that used to surround it. We thank all those involved in this school construction project. It has been wonderful, and we would very much look forward to working with the Anglican Church in Paraguay at some point in the future.

Thank you for your faithfulness in giving, in considering how to bless others, for helping these families break the cycle of poverty, and assisting them in learning more about Christ Himself, and his peace everlasting.
