

RESTORING HEALTH, HOPE AND DIGNITY IN JESUS' NAME

The Anglican Relief and Development Fund Canada

ARDFC PROJECT 2023:

MOZAMBIQUE: COMMUNITIES GAIN ACCESS TO CLEAN WATER

GOAL: US \$122,580 – C \$169,246

THE PROJECT: As part of the Anglican Church's holistic ministry in Zambezia province, the Anglican Diocese of Zambezia will erect four deep water wells and construct protection for 14 natural water springs that will help meet the water needs of thousands of people in Molumbo and Milange towns. Once installed, the boreholes and natural springs will improve the livelihood, hygiene, and sanitation of these communities, giving thousands of people access to reliable, safe drinking water. People will be disciplined through the church by meeting their physical and spiritual needs.

ABOUT ARDFC

Global poverty and suffering can seem overwhelming and, with hundreds of charities claiming to meet the need, why should you choose ARDFC?

SUSTAINABLE DEVELOPMENT: Our projects are rigorously researched before approval to determine risk, impact, and sustainability. Projects are designed to meet specific goals in particular communities, and success or failure is objectively assessed upon completion. All project reports are public, and all funds support only the projects for which they are designated.

TRUE PARTNERSHIPS: Our projects are based on real relationships with local communities and are always locally initiated and locally implemented for maximum community involvement and impact. And as a member of the larger ARDF “family”, we have earned credibility and respect with Global South Anglican leaders.

CHRIST CENTERED: We believe that the gospel sets us free to love our neighbors as Christ loved us – as an expression of God's transforming grace. We also believe that the Great Commission is integrally linked to the Great Commandment, so all our holistic projects incorporate an evangelistic element.

TRANSFORMING OUR WORLD: ARDFC – together with ARDF – has partnered with Anglican churches in the developing world to complete 151 high-impact, sustainable development projects worth \$7 million around the globe over the last seven years. In addition, we have sent more than \$1.5-million for urgent disaster relief needs.
