

The Anglican Relief and  
Development Fund Canada

**Powerful Partnerships**

**Transforming Our World**

**Global poverty and suffering can seem overwhelming, and with hundreds of charities claiming to meet the need, why should you choose ARDFC?**

**Sustainable Development:** Our projects are rigorously researched before approval to determine risk, impact, and sustainability. Projects are designed to meet specific goals in particular communities, and success or failure is objectively assessed upon completion. All project reports are public, and all funds support only the projects for which they are designated.

**True Partnerships:** Our projects are based on real relationships with local communities and are always locally initiated and locally implemented for maximum community involvement and impact. And as a member of the larger ARDF “family”, we have earned credibility and respect with Global South Anglican leaders.

**Christ Centered:** We believe that the gospel sets us free to love our neighbors as Christ loved us – as an expression of God’s transforming grace. We also believe that the Great Commission is integrally linked to the Great Commandment, so all our holistic projects incorporate an evangelistic element.

**Transforming Our World:** ARDF has partnered with Anglican churches in the developing world to complete over 124 high-impact, sustainable development projects worth \$5.6 million around the globe over the last seven years. In addition, about \$950,000 has been channeled through ARDF to meet urgent disaster relief needs.

## Building a pediatric ward in South Sudan

**Goal:** \$66,000 Cdn

The Anglican Relief and Development Fund Canada is helping the Diocese of Yei build and equip a new children's ward for Martha Primary Health Care Centre in Yei, South Sudan.

**South Sudan** is the world's newest nation and among the poorest due to decades of war. Life expectancy is low. One in ten children won't live to the age of five. Most deaths are from preventable and treatable illnesses – especially malaria.

**Martha Primary Health Care Centre** (Martha PHCC), under the jurisdiction of the Diocese of Yei, provides the best primary care in the area, serving 3000 to 4000 patients each month. As its reputation has grown, the existing pediatric ward has become terribly over-crowded. A typical pediatric patient is under two and suffers from malaria or severe dehydration. With the right treatment, the child improves dramatically and quickly. Without this care, many would die.

### About the Anglican Relief and Development Fund Canada (ARDFC)

ARDFC is a registered Canadian charity, associated with the Anglican Church in North America. It undertakes carefully selected and monitored aid projects in partnership with Anglican dioceses in developing nations. See our website [www.ardfc.ca](http://www.ardfc.ca) for more information.

### How to support the work of ARDFC

Donations to ARDFC can be made:

- Through your parish
- Online using the secure CanadaHelps website. For information see: [www.ardfc.ca/donate.htm](http://www.ardfc.ca/donate.htm)
- By sending your cheque to: ARDFC · Box 1013 · Burlington, ON · L7R 4L8
