Transforming Our World

Global poverty and suffering can seem overwhelming, and with hundreds of charities claiming to meet the need, why should you choose ARDFC?

Sustainable Development: Our projects are rigorously researched before approval to determine risk, impact, and sustainability. Projects are designed to meet specific goals in particular communities, and success or failure is objectively assessed upon completion. All project reports are public, and all funds support only the projects for which they are designated.

True Partnerships: Our projects are based on real relationships with local communities and are always locally initiated and locally implemented for maximum community involvement and impact. And as a member of the larger ARDF “family”, we have earned credibility and respect with Global South Anglican leaders.

Christ Centered: We believe that the gospel sets us free to love our neighbors as Christ loved us – as an expression of God’s transforming grace. We also believe that the Great Commission is integrally linked to the Great Commandment, so all our holistic projects incorporate an evangelistic element.

Transforming Our World: ARDF has partnered with Anglican churches in the developing world to complete over 124 high-impact, sustainable development projects worth \$5.6 million around the globe over the last seven years. In addition, about \$950,000 has been channeled through ARDF to meet urgent disaster relief needs.

Building a training centre in Recife, Brazil

Goal: \$61,600

The Anglican Relief and Development Fund Canada is partnering with the Diocese of Recife to complete construction of an **Anglican Center of Holistic Mission** adjacent to Christ the Liberator Anglican Church. Our project will help this Church address neighbourhood issues of unemployment, poor education, and prevalent violence, while meeting the spiritual needs of the community – and beyond.

Once completed, the classroom complex will be used to:

- Train unemployed people in new vocational skills.
- Provide children & youth with literacy and educational classes.
- Train missionaries to go to unreached areas of Brazil.

Diocese of Recife – Over the years, the clergy and people of this diocese have suffered much as a result of standing for Biblical faithfulness. But despite the adversity, the diocese has experienced tremendous growth recently, more than doubling in size. It is highly regarded for serving the poor in its communities. We are privileged to be able to support our brothers and sisters in Recife in their ministry.
