Transportation & income for ACNA church plants in Cuba

Goal: \$46,000 US (approximately \$60,000 Canadian)

The project: Anglican Relief and Development Fund Canada (ARDFC) is partnering with the Reformed Episcopal (REC) Mission District of Cuba to purchase a used 12-seat passenger van. This van will provide needed transportation and will offer a means of income generation for the growing churches – which will cover all operating costs and help the churches become more financially self-sufficient.

The mission district owns a farm which provides some income for local congregations. The van will transport produce to market, as well as church members and guests to worship services. It will also be used as commercial transport to and from the local airport, generating revenue for the mission district.

Our partner, the REC's Mission District of Cuba, has grown since its founding in 2003 to 20 parishes and 12 home groups, with 1250 weekly attendees. It has stable management, secure financial processes and a strong track record.

About the Anglican Relief and Development Fund Canada (ARDFC)

ARDFC is a registered Canadian charity, associated with ARDF Global. It undertakes carefully selected and monitored aid projects in partnership with Anglican dioceses in developing nations. See our website www.ardfc.ca for more information.

Transforming Our World

Global poverty and suffering can seem overwhelming and, with hundreds of charities claiming to meet the need, why should you choose ARDFC?

Sustainable Development: Our projects are rigorously researched before approval to determine risk, impact, and sustainability. Projects are designed to meet specific goals in particular communities, and success or failure is objectively assessed upon completion.

True Partnerships: Our projects are based on real relationships with local communities and are always locally initiated and locally implemented for maximum community involvement and impact. We have earned credibility and respect with Global South Anglican leaders.

Christ Centered: We believe that the gospel sets us free to love our neighbors as Christ loved us. We also believe that the Great Commission is integrally linked to the Great Commandment, so all our holistic projects incorporate an evangelistic element.

Transforming Our World: ARDFC and ARDF have partnered with Anglican churches in the developing world to complete 151 high-impact, sustainable development projects worth \$7 million around the globe over the last seven years. In addition, we have sent more than \$1.5-million for urgent disaster relief needs.
