Transforming Our World

Global poverty and suffering can seem overwhelming and, with hundreds of charities claiming to meet the need, why should you choose ARDFC?

Sustainable Development: Our projects are rigorously researched before approval to determine risk, impact, and sustainability. Projects are designed to meet specific goals in particular communities, and success or failure is objectively assessed upon completion.

True Partnerships: Our projects are based on real relationships with local communities and are always locally initiated and locally implemented for maximum community involvement and impact. We have earned credibility and respect with Global South Anglican leaders.

Christ Centered: We believe that the gospel sets us free to love our neighbors as Christ loved us. We also believe that the Great Commission is integrally linked to the Great Commandment, so all our holistic projects incorporate an evangelistic element.

Transforming Our World: ARDFC and ARDF have partnered with Anglican churches in the developing world to complete 151 high-impact, sustainable development projects worth \$7 million around the globe over the last seven years. In addition, we have sent more than \$1.5-million for urgent disaster relief needs.
