

The Anglican Relief and
Development Fund Canada

Powerful Partnerships

Transforming Our World

Global poverty and suffering can seem overwhelming and, with hundreds of charities claiming to meet the need, why should you choose ARDFC?

Sustainable Development: Our projects are rigorously researched before approval to determine risk, impact, and sustainability. Projects are designed to meet specific goals in particular communities, and success or failure is objectively assessed upon completion. All project reports are public, and all funds support only the projects for which they are designated.

True Partnerships: Our projects are based on real relationships with local communities and are always locally initiated and locally implemented for maximum community involvement and impact. And as a member of the larger ARDF “family”, we have earned credibility and respect with Global South Anglican leaders.

Christ Centered: We believe that the gospel sets us free to love our neighbors as Christ loved us – as an expression of God’s transforming grace. We also believe that the Great Commission is integrally linked to the Great Commandment, so all our holistic projects incorporate an evangelistic element.

Transforming Our World: ARDFC – together with ARDF – has partnered with Anglican churches in the developing world to complete 144 high-impact, sustainable development projects worth \$6.7 million around the globe over the last seven years. In addition, we have sent more than \$1-million for urgent disaster relief needs.

The Anglican Relief and
Development Fund Canada

Providing clean water to thousands in South Sudan

Goal: US \$ 36,000 (C \$ 44,000)

The project

The Anglican Relief and Development Fund Canada (ARDFC) is partnering with the Diocese of Wau, South Sudan to bring clean, secure water to people with little access to uncontaminated water. The diocese has a population of about 1.3 million people.

In the Wau region, women and children can spend hours and travel long distances to collect water for their families. During the rainy season water is often contaminated.

The need

South Sudan is the world's newest nation and among the poorest due to decades of war which destroyed millions of lives and virtually all the infrastructure. Since 2011, the population has grown dramatically as refugees have returned following South Sudan's independence.

About the Anglican Relief & Development Fund Canada (ARDFC)

ARDFC is a registered Canadian charity. It undertakes carefully selected and monitored aid projects in partnership with Anglican dioceses in developing nations. See our website www.ardfc.ca for more information.

How to support the work of ARDFC

Donations to ARDFC can be made:

- Through your parish
- Online: www.ardfc.ca/donate.htm
- By sending your cheque to: ARDFC · Box 1013 · Burlington, ON · L7R 4L8

Restoring health, hope and dignity in JESUS' name
