The Anglican Relief and
Development Fund Canada

Building a training centre in Recife, Brazil

Goal: \$61,600

The Anglican Relief and Development Fund Canada is partnering with the Diocese of Recife to complete construction of an **Anglican Center of Holistic Mission** adjacent to Christ the Liberator Anglican Church. Our project will help this Church address neighbourhood issues of unemployment, poor education, and prevalent violence, while meeting the spiritual needs of the community – and beyond.

Once completed, the classroom complex will be used to:

- Train unemployed people in new vocational skills.
- Provide children & youth with literacy and educational classes.
- Train missionaries to go to unreached areas of Brazil.

Diocese of Recife – Over the years, the clergy and people of this diocese have suffered much as a result of standing for Biblical faithfulness. But despite the adversity, the diocese has experienced tremendous growth recently, more than doubling in size. It is highly regarded for serving the poor in its communities. We are privileged to be able to support our brothers and sisters in Recife in their ministry.
